

Dear Parents or Guardians,

March 2, 2020

I will be taking student placement information through April 13th for next fall kindergarteners. Your involvement can be an important step in the process and I encourage you to complete the questions listed at the bottom of this page. **If you would like me to consider this information, you will need to return the completed form to the school office by Monday, April 13, 2020.**

Final placement decisions are my responsibility. Because I do spend considerable time making placement decisions, I would appreciate your comments and concerns.

I hope by stating your classroom expectations, the teacher and I will be able to meet your child's needs both academically and socially. Being a part of this process keeps communication open and effective.

Depending upon enrollment, some teachers may move to a different level. I will consider any information that you share with us concerning your child's needs, though **please be aware that I cannot take teacher requests.**

Thank you,
Kimber Scarlett, Principal
